It is Midsummer Nights Eve.

The Shakespeare Players, are preparing to perform their outdoor version of A Midsummer Night's Dream in the gardens of Hatfield House. After the final dress rehearsal, members of the cast have retired to the Riding School to meet local thespians and investors prior to opening night. The cast however, are stopped in their networking tracks as the police arrive, bearing horrific news.

The Company owner has been found murdered in the grounds, and his fellow castmates are deemed to be the prime suspects in his demise. It seems to be that this evening is turning more into Macbeth than a Midsummer Nights Dream! Now the time is ticking to solve the crime. Assemble your Detective teams and join Moonstone Theatre London & Hatfield House for an evening of suspicious suspects, plot-twists and plenty of red herrings along the way! Don your doublets and Ruffs to dress for the occasion. Evening includes a 3 course meal and drink upon arrival.
